- However, should you have any queries regarding the hiring of the hall please contact the Booking Secretary on 01647 277411. If you would like to visit the premises to view the facilities then please contact a local member of the committee on 01647 277421 or 01647 277138.

### Car Parking

The road leading to the village hall is a public road and this must not be obstructed. Please ensure your visitors do not obstruct the fire exits by the disabled parking place at the side of the hall.

### Cleaning

- A part time cleaner is employed to ensure that standards are maintained. Her availability and "hours paid" precludes clearing up/cleaning after each individual hiring, which is the responsibility of hirers. Hirers may wish to make individual arrangements with her for extra services.
- If hirers leave the hall in a condition which requires additional work by the cleaner a charge will be deducted, at the discretion of the committee, to pay for such work.
- Cleaning requisites are held in the Cleaner's cupboard.

### Consideration for Others

Please ask your guests to leave quietly at the close of your event. Car doors banging and loud talk in the car park are disturbing to local residents.

Please do not use drawing pins or sellotape on the walls or other surfaces, use blu-tack if you need to put up notices or decorations. Do not fix decorations near light fittings or heaters.

Please leave the village hall clean and tidy and leave waste in the bins outside or take it home. In particular we ask you to ensure table tops are wiped clean before being stacked.

### Decoration.

It is not permitted to use fixings that will leave marks. A box of picture hangers for use on picture rails is available in the cupboard in the Cleaner's Cupboard.

### Faults/ Damage/ Comments

Please report any faults or damage to the booking secretary as soon as possible so that they can be rectified quickly. The Management Committee welcome comments or observations that you may have about your hire of the village hall.

- 10 large tables and 10 small ones- 2 of each (new, white topped) in the Meeting Room, and the remainder in the stores.

- The caretaker will at his discretion assist with moving furniture/staging. He is authorised to charge a fee of £5 for such assistance.

### Heating

- There are two heating zones, Main Hall, and Meeting room plus Foyer and toilets.
- Heating will normally be programmed by the caretaker in accordance with hiring's. It will also be programmed to keep the hall temperature at a minimum of 15 degrees C to ensure that the floor does not warp.

- At the end of the hire period please ensure that if you have adjusted the heating level that it is returned to the previous level.

- Casual hirers. The Booking Secretary will have made arrangements for you to obtain a key, otherwise the hall duty committed member (see Hall external notice board for contact details) will normally unlock for you, and let you know what the arrangements are for locking up, and if you are given a key, where to return it to.
- There are a number of different keys which each give access to various combinations of areas. All keys open the Front Door and the Cleaner's Cupboard.
- Please ensure that all external and internal doors not in use by other hirers are secure/locked as appropriate before leaving.
- Guests are expected to vacate the premises within fifteen minutes of the end of a licensed period. After midnight (unless the event is New Year's Eve) only those helping to clear up the village hall should be on the premises. Failure to comply with this will result in forfeiture of your deposit.

### Power Circuits

Please contact a member of the committee if a problem arises during the hiring.

### Rubbish

- Please ensure that all rubbish is removed from the hall. There are two black landfill bins at the back of the Disabled parking area.
- The Village Hall Committee regrets that it has been unable to provide satisfactory provision for recycling waste but is **delighted** if hirers can take their rubbish home to recycle, in particular any big bulky rubbish eg boxes /cardboard/glass etc. To assist, there are carrier bags for Hirers use in the box under the kitchen central island. Large black bin bags are kept in a drawer.
